Three times late to class equals one absence, and more than 30 minutes late is considered an absence. Global Language Education Office (GLEO) has very strict guidelines about missing class—excuses such as doctor’s prescriptions and seminars attended will **not** be accepted. An absence will only be excused if it involves an overnight hospital stay, an official university activity, or the death of an immediate family member. Documentation is required in all such cases.
- b) **Be prepared.** Finish all homework before class and be ready to discuss it within a group or in the general class.
- c) **Participate.** You will receive a full score in this category if you:
- *Complete* all homework assignments on time.
  - *Speak English* in class to the best of your ability.
  - *Share your ideas* in class and in group discussions.
  - *Show interest* in the class and have a positive attitude.
  - *Are respectful* of the instructor and other students.
